

DRONERESPONDERS

NIST PROCTOR CERTIFICATION COURSE

JUNE 3-5, 2026 | SPRINGDALE, OH

COURSE FEE: \$325

The DRONERESPONDERS **NIST Proctor Course** is designed to prepare qualified UAS professionals to administer, evaluate, and oversee standardized drone operational assessments using the **National Institute of Standards and Technology (NIST) UAS test methods**. This course establishes a consistent, objective framework for evaluating pilot proficiency, operational readiness, and mission performance in support of public safety, government, and professional UAS programs.
