9119 Cincinnati-Dayton Road, West Chester, Ohio

INCIDENT SAFETY OFFICER

Join us for a 5-day Incident Safety Officer Course!

November 16 – November 20

Students will gain knowledge in fireground safety, hazardous materials incidents, technical rescue, health and safety, and incident command. The course meets the new NFPA 1550 standard. The course also reviews the roles of risk management, health and safety officer, and will better assist you in risk identification and fireground safety! Scan the QR code to sign up!
